

Help with Drug Use during Pregnancy

StepOne for a Healthy Pregnancy has resources available to link pregnant women who are using drugs with services to help them and their baby.

Health care providers and community agencies may refer any pregnant woman needing to be linked with drug treatment services at any gestational period.

Clinicians can refer clients by calling 614-884-2441 Ext 3

or using the link: <https://bit.ly/3y3wqhs>

Clients can call 614-884-2441 Ext 3 to self refer
